ORUN'S Insight!

옳은영어 초등부 학부모님들 안녕하세요, 여진희 원장입니다.
2025년이라는 숫자가 먼 미래라고만 생각했는데 우리는 2025년 3월을 준비하고 있다는 것이 새삼 놀랍습니다.
저는 지난 학기 설명회를 통해 나눈 바와 같이 재원생 어머님들께 더 적극적으로 다가가는 한 해가 될 것 같습니다.
어머님들께 필요한 초등교육, 인문학교육, 진로교육을 포함한 북클럽을 계획하고
곧 자세한 일정을 안내드릴 예정입니다.
또한 입시에 대한 부분들도 어머님들이 아시는 만큼 들릴 수 밖에 없으므로
쉽게 이해하고 초등부터 준비할 수 있는 입시 교육도 함께 진행할 예정입니다.
어머님들의 니즈를 파악하고 해결하는 것은 물론
더 나아가 준비된 옳은의 똑똑한 어머님이 되실 수 있도록 함께 성장을 돕겠습니다.
저희도 엄마는 처음이니까요 ^^

더불어, 아이들마다의 학습 스타일과 속도를 존중하며 관심 분야를 고려한 맞춤형 교육을 통해
아이들의 강점을 극대화하고 스스로 공부하고 책임지는 습관을 계속해서 만들어 가겠습니다.
유엔 지속가능발전목표를 지향점으로 삼아 환경과 사회 문제를 넓은 시각으로 바라볼 수 있도록 지도하고
국제적 관점을 강조하여 아이들이 변화하는 시대에도 유연하고 창의적으로 대응할 수 있도록 이끌어 가겠습니다.

6월 학기부터는 **국제 바칼로레아 IB 교육**의 장점을 살린 탐구프로젝트와 비판적 사고 베이스의 교재들을 추가함으로
아이들에게 혁신적인 교육인 동시에 학부모님들과 협력하는 압도적인 초등부 영어교육기관으로 준비 중입니다.
제가 이렇게 말씀드리는 이유는,
저를 비롯한 옳은영어 초등부 모든 직원들의 약속을 공식적으로 함으로써 반드시 이 약속을 지키기 위함입니다.
더 연구하고 노력하고 많은 시간과 투자가 필요한 약속들이지만 분명히 우리 옳은영어 재원생들과 학부모님들에게
도움이 되는것이기 때문에 꾸준하고 묵묵하게 저희의 길을 가겠습니다.
아이들이 더욱 주도적으로 배려깊은 미래 인재로 성장할 수 있도록 최선을 다하겠습니다.

감사합니다.

TEACHER INTERVIEW

Who's Next?

1. 자기소개 부탁드립니다 선생님~!

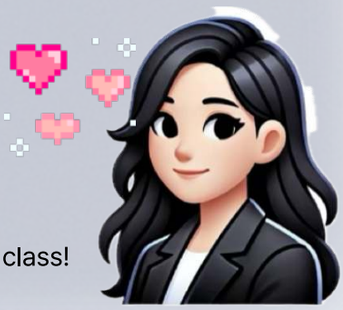

Hello! I'm Michelle, and I'm thrilled to be part of the Orun English.
My journey into teaching began with a simple love for languages and a knack of making people laugh.
I realized that combining education with humor not only makes learing enjoyable but also effective.

2. 선생님의 어릴 적 꿈은 무엇이었나요? 지금 꿈은 무엇인지도 말씀해주세요~!

When I was a child, my dream was to become a doctor! I thought it was amazing to help people and save lives.
But as I grew up, I started to think, What do I truly enjoy doing?
That's when I discovered my passion for teaching Englsih, and I became an English teacher!
But my dream doesn't stop here! Right now, I have a new goal-creating Orun English 2!

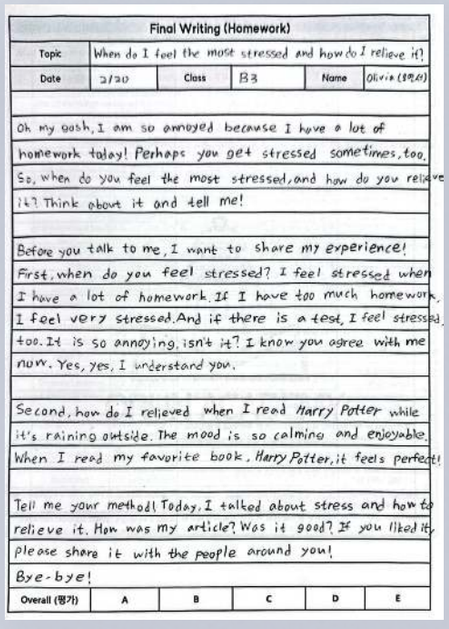

3. 선생님만의 스트레스 해소법이 있다면?

Whenever I feel stressed, I enjoy working out, playing musical instruments, and chatting with friends!
Everyone has their own way of dealing with stress.
I encourage you to find something that makes you happy and keeps you motivated!

4. 읊은영어 학생들에게 남기는 한 마디

Stay curious, stay active, and keep going!
Learning isn't just about memorizing-it's about exploring, practicing, and having fun!
Don't be afraid of mistakes, and always keep moving forward!
Let's make this learning journey exciting together! Thank you for reading. See you in class!

Final Writing (Homework)

Topic	When do I feel the most stressed and how do I relieve it?				
Date	2/20	Class	B3	Name	Olivia (영어)

Oh my gosh, I am so annoyed because I have a lot of homework today! Perhaps you get stressed sometimes, too. So, when do you feel the most stressed, and how do you relieve it? Think about it and tell me!

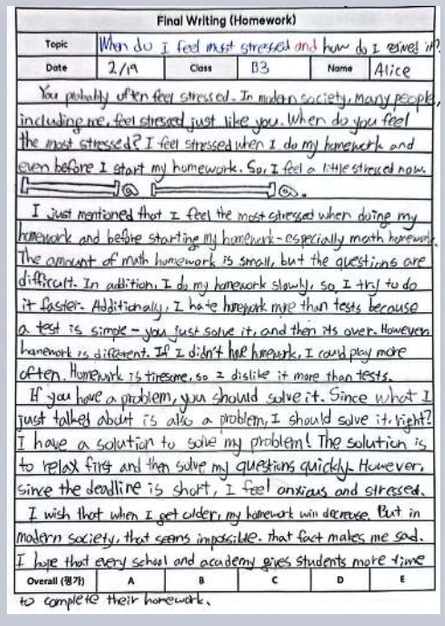

Before you talk to me, I want to share my experience!
First, when do you feel stressed? I feel stressed when I have a lot of homework. If I have too much homework, I feel very stressed. And if there is a test, I feel stressed, too. It is so annoying, isn't it? I know you agree with me now. Yes, yes, I understand you.

Second, how do I relieved when I read Harry Potter while it's raining outside. The mood is so calming and enjoyable. When I read my favorite book, Harry Potter, it feels perfect!

Tell me your method! Today, I talked about stress and how to relieve it. How was my article? Was it good? If you liked it, please share it with the people around you!
Bye-bye!

Topic	When do I feel most stressed and how do I relieve it?

You probably often feel stressed. In modern society, many people, including me, feel stressed just like you. When do you feel the most stressed? I feel stressed when I do my homework and even before I start my homework. So, I feel a little stressed now.

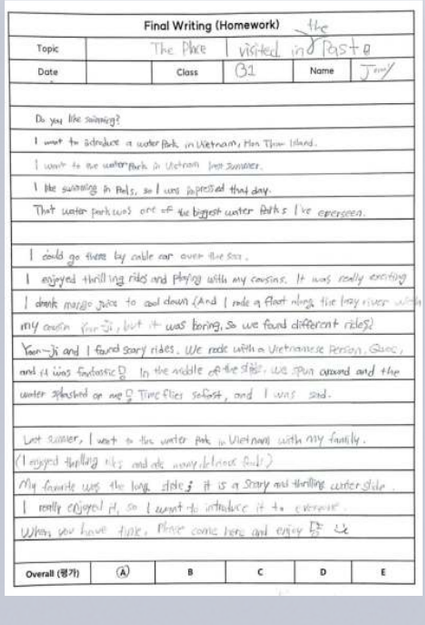

I just mentioned that I feel the most stressed when doing my homework and before starting my homework - especially math homework. The amount of math homework is small, but the questions are different. In addition, I do my homework slowly, so I try to do it faster. Additionally, I hate homework more than tests because a test is simple - you just solve it, and then its over. However, homework is different. If I didn't have homework, I could play more often. Homework is tiresome, so I dislike it more than tests.

If you have a problem, you should solve it. Since what I just talked about is also a problem, I should solve it, right? I have a solution to solve my problem! The solution is to relax first and then solve my questions quickly. However, since the deadline is short, I feel anxious and stressed.

I wish that when I get older, my homework will decrease. But in modern society, that seems impossible. that fact makes me sad. I hope that every school and academy gives students more time to complete their homework.

Final Writing (Homework)

Topic	The Place I visited in the Past				
Date		Class	B1	Name	Jenny

Do you like swimming?
I want to introduce a water park in Vietnam, Nha Thuy Island.
I went to the water park in Vietnam last summer.
I like swimming in Pools, so I was interested that day.
That water park was one of the biggest water Parks I've experienced.

I could go there by cable car over the sea.
I enjoyed thrilling rides and playing with my cousins. It was really exciting.
I drank mango juice to cool down. And I rode a float along the lazy river with my cousin Yoon-Ji, but it was boring, so we found different rides!
Yoon-Ji and I found scary rides. We rode with a Vietnamese version. Slides, and it was fantastic! In the middle of the slide, we spun around and the water splashed on me! Time flies so fast, and I was sad.

Last summer, I went to the water park in Vietnam with my family.
I enjoyed thrilling rides and ate many delicious foods!
My favorite was the long slide. It is a scary and thrilling water slide.
I really enjoyed it, so I want to introduce it to everyone.
When you have time, Please come here and enjoy it!
