ORUN'S INSIGHT

옳은영어 초등부 학부모님들 안녕하세요. 여진희 원장 입니다.

요즘 제 마음에 깊이 남은 한 문장이 있어요. “Let them.”
미국의 유명한 동기부여 전문가 멜 로빈스가 최근에 출간한 책, 『The Let Them Theory』에서 나온 말이에요.
번역하자면 그냥 “그들 하도록 내버려 둬”라는 뜻이죠.
참 간단한 말인데, 이 안에 담긴 메시지가 우리 엄마들의 삶에 참 큰 울림을 줘요.

우리는 늘 애쓰죠. 좋은 엄마가 되기 위해, 괜찮은 아내로 보이기 위해,
또 사회 속에서 인정받는 사람으로 살아가기 위해서요.
그러다 보니 아이가 하는 말 하나, 친구가 보인 태도 하나에도 마음이 쉽게 흔들리고 상처받게 돼요.
그런데 이 책은 그런 순간마다 이렇게 말해줘요. “Let them.” 그냥 그들이 그렇게 하도록 두라는 거예요.
아이들이 잔소리를 듣기 싫어할 때, 친구가 날 이해 못 할 때, 가족이 내 진심을 몰라줄 때—
그럴 때 우리가 할 수 있는 가장 현명한 선택은, 그들을 바꾸려 애쓰기보다는 그냥 두는 거예요.
그들이 원하는 대로 말하고, 행동하고, 판단하도록요.
그러고 나서 우리가 해야 할 일은 나 자신에게 집중하는 거예요.
"내가 어떻게 반응할까?", "나는 이 상황에서 무엇을 배울 수 있을까?" 이런 질문을 스스로에게 던지면서요.

사실 ‘Let them’이라는 말은 겉으로는 타인을 향한 말처럼 보이지만, 결국 우리 자신을 위한 말이에요.
상대를 컨트롤하려는 마음을 내려놓는 순간, 우리는 훨씬 더 자유로워지고 평온해질 수 있거든요.
불필요한 에너지 소모도 줄고, 마음이 가벼워져요. 그 에너지를 내 건강, 내 목표, 내 행복에 쓸 수 있으니까요.

예를 들어볼까요? 아이가 아침에 이상한 조합의 옷을 입고 나가겠다고 할 때,
그냥 ‘그래, 네가 좋다면 그렇게 입어봐’라고 말해보는 거예요.
아이에게 자율성을 주는 동시에, 내가 그걸 통제하려는 마음에서 벗어나는 거죠.
남편이 내 방식과 다르게 집안일을 하더라도, '그냥 그 방식대로 하게 둬보자' 하고 한 발 물러서보는 거예요.
그러면 오히려 내가 지치지 않고, 관계도 더 평화로워지더라고요.
저는 요즘 이 ‘Let them’을 마음에 자주 떠올려요.
어쩌면 우리가 너무 바쁘고 치열하게 살아오느라 잊고 있었던 태도 같아요.
아이를 향한 조바심, 남편을 향한 기대, 주변 사람들의 시선에 대한 민감함...
그런 것들로부터 조금씩 나를 해방시키는 거죠.

“그 사람은 그렇게 말할 수도 있어.”
“그 아이는 지금 그럴 수밖에 없는 나이야.”
“나는 내가 할 수 있는 최선을 다하고 있어.”

이런 생각들이 하루를 훨씬 가볍고 단단하게 만들어줍니다.

그래서 저는 요즘, 아이에게도, 남편에게도, 친구들에게도
그리고 무엇보다 제 자신에게도 자주 말해요. “Let them.” 그리고 “Let me.”
그들을 그냥 두고, 나는 나의 삶에 더 집중하자고요.
이 말이 오늘 하루, 어머님들의 마음에도 작은 쉼표가 되기를 바랍니다.

TEACHER INTERVIEW

Teacher Eric

1.자기소개

Hello, I'm Eric. First of all, I want to say that it's an honor to be part of Orun English as a teacher, and I take great pride in it. I love teaching and interacting with students every day. As a teacher, I believe it is my responsibility to ensure that I make your valuable time worthwhile and lead you in a better direction.

2. 지금까지 교사로서 가장 보람 있었던 순간은 언제인가요?

As a teacher, there have been many fulfilling moments, but if I had to choose one, I would say it's when I see my students' growth. No one is perfect from the beginning, and it's not easy to keep making an effort to improve. I know it can be really difficult to keep trying, but regardless of how hard or tough it gets, Orun students never give up and keep pushing forward. The changes might seem small at first, but as they continue to try, those small steps build up, leading to great improvement. I am truly grateful to be on this journey with them.

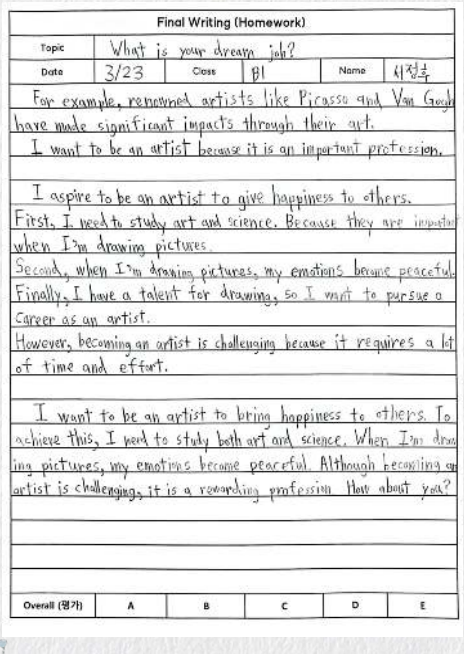

3. 영어를 처음 재미있게 느꼈던 순간은 언제였나요?

When I first went to the United States as a 6th grader, I had never learned English before. At school, I couldn't understand what anyone was saying, and I couldn't communicate with my friends either. In the beginning, I learned English just to keep up with the lessons and to be able to talk with my classmates. However, as I started learning, I began to notice a change. Little by little, I could understand more and more, and I could say more things myself. This progress made me realize how much fun learning English could be. It wasn't just about keeping up anymore—it was about connecting with others and discovering a new way of expressing myself. That's when I started to really enjoy learning English.

4. 마지막으로, 선생님이 학생들에게 해주고 싶은 말은 무엇인가요?

Just like I experienced, it may be hard for you to feel it right now, but as you keep learning English little by little, there will come a moment when you'll be able to use and experience everything you've built up. It might feel tough now, but keep going, and you'll start to feel a sense of accomplishment. English will become more enjoyable, and that moment will come sooner than you think. I'll be here to support you along the way, helping you enjoy this long journey so that you can keep moving forward with fun and excitement.

Final Writing (Homework)

Topic	What is your dream job?				
Date	3/23	Class	B1	Name	서정후

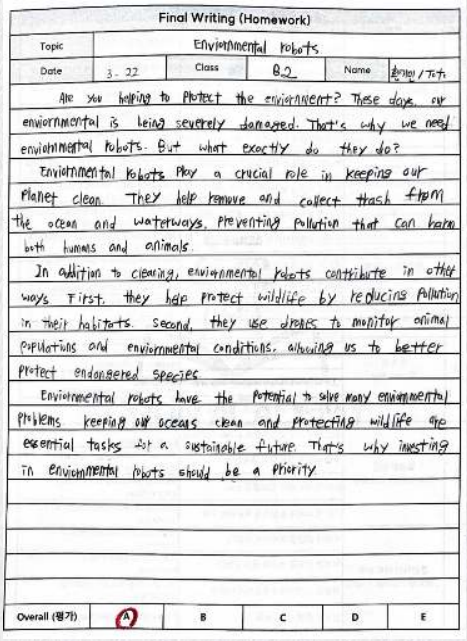

For example, renowned artists like Picasso and Van Gogh have made significant impacts through their art.
I want to be an artist because it is an important profession.

I aspire to be an artist to give happiness to others.
First, I need to study art and science. Because they are important when I'm drawing pictures.
Second, when I'm drawing pictures, my emotions become peaceful.
Finally, I have a talent for drawing, so I want to pursue a career as an artist.
However, becoming an artist is challenging because it requires a lot of time and effort.

I want to be an artist to bring happiness to others. To achieve this, I need to study both art and science. When I'm drawing pictures, my emotions become peaceful. Although becoming an artist is challenging, it is a rewarding profession. How about you?

Final Writing (Homework)

Topic	Environmental robots				
Date	3. 22	Class	B2	Name	황기민

Are you helping to protect the environment? These days, our environmental is being severely damaged. That's why we need environmental robots. But what exactly do they do?
Environmental robots play a crucial role in keeping our planet clean. They help remove and collect trash from the ocean and waterways, preventing pollution that can harm both humans and animals.
In addition to cleaning, environmental robots contribute in other ways. First, they help protect wildlife by reducing pollution in their habitats. Second, they use drones to monitor animal populations and environmental conditions, allowing us to better protect endangered species.
Environmental robots have the potential to solve many environmental problems. Keeping our oceans clean and protecting wildlife are essential tasks for a sustainable future. That's why investing in environmental robots should be a priority.
